NHS Readies for 38th Annual Induction

The induction will be held on Oct. 30th in the HS Commons.

Since its inception in 1981 with advisor Mr. William Ludwig there has been a National Honor Society (NHS) at Erie High School (EHS). This fall marks the 38th year that members have been asked to join the organization.

Students in the sophomore, junior, or senior classes that have a cumulative GPA of 3.3 or higher are issued an invitation to start the application process starting with a packet of information. Within the application packet students are asked to list what experiences they have in leadership positions, service to the school and community, and finally any paid or voluntary work experience they have. Leadership does not mean that you have to be a class officer or the captain of a team. Leadership examples are noted within the hallways, classroom, and even at lunch time. There are effects from good leadership and bad leadership and understanding the differences is important. A personal philosophy statement is also written.

7th & 8th Grade Halloween Dance
